BEN DAVIS HIGH SCHOOL  
INDIANAPOLIS - - - - - INDIANA

BEN DAVIS HIGH SCHOOL

THE 1951

## KEYHOLE

Even though Ben Davis is rated the largest township high school in the United States, a rapidly increasing population has created a need for additional facilities. Since 1935, when the present senior building was erected, the enrollment has more than doubled.

The structure that once was adequate for the entire high school, is now filled to capacity by the freshman class. This building housed all four classes from 1915 until 1935, when the three upper classes moved to the newly completed senior building.

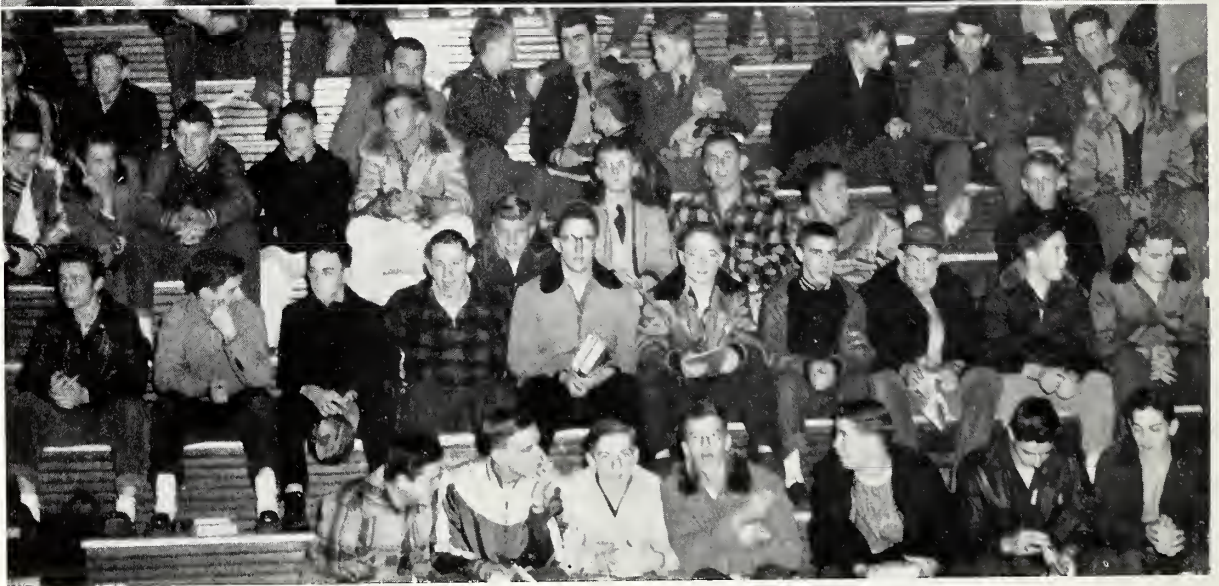

## *We're Bursting Our Seams . . .*

. . . that is the theme of this year's Keyhole. By presenting this pictorial record you, too, will see that our need for additional space is acute.

*crowded hallway*

*crowded gym in morning*

When the halls are crowded with students passing between classes, one would never guess that, statistically, each person is entitled to 7 square feet of clearance.

An insufficient number of busses means that many drivers must make several trips to pick up students. Some unfortunates arrive as early as 6:45 and must wait in the gym until the 7:30 bell.

## *One More Student and . . .*

. . . They'll be "hanging from the rafters." Possible solutions for this crowded condition are to have two daily sessions of school, or to stagger classes over a lengthened day.

Under the supervision of Mrs. Eva Eaton, an average of 690 students are fed daily. Ben Davis cafeterias, although crowded to capacity, have been given an excellent rating by the Indiana State Board of Health.

Fifth Hour Lunch Line Waits "Patiently"

## *Sometimes We Can't Even Find*

The journalism room is the scene of varied activities. Within its limited space, groups of students cement pictures for the annual, work on the Spotlight, and catch up on classroom assignments, while the sponsor does bookkeeping to the tune of two typewriters.

## *The Teacher . . .*

Since Ben Davis students must stay at school all day because of bus transportation, there is the problem of what to do with free periods. The three large study halls are so completely filled every hour, it has become necessary during some periods to use extra classrooms to relieve the congestion. Even so, some students must share desks.

# Class

## FRESHMAN GYM

Freshman girls line up for gym class under the supervision of Mrs. Mildred Orme. Besides the usual calisthenics and games, good posture is stressed daily.

## FRESHMAN ENGLISH CLASS

Miss Mary McCleary gets a flourish of hands in response to a question asked in her freshman English class. Here frosh become acquainted with high school tactics in grammar.

## SAFETY CLASS DEMONSTRATION

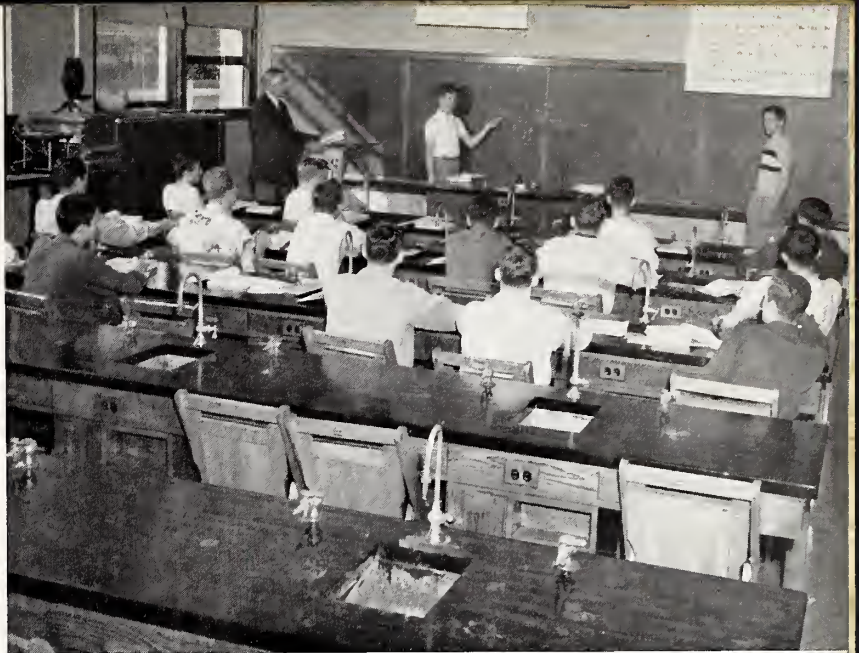

While acquiring a knowledge of the basic steps in accident prevention, safety students also learn the importance and application of first aid. Mr. Ted Pierson, safety instructor, watches while Johnny Rice and Philip Paul "revive" Elmer Phillips by artificial respiration.

# Rooms

## PHYSICS

Since science is a subject in which laboratory experiments are made, the classes must therefore be smaller than most, in order to have individual instruction. Due to the increasing enrollment, this has become almost impossible.

## TYPING

Good use is made of every typewriter in every typing class. This year, additional machines were obtained, but there is still a need for more, as none are available for makeup work or outside practice at present.

## SHOP

Blueprint for success—intricate designing of bird houses, book cases, and shelves, are learned in Mr. Freundt's shop class. Result—skill in woodworking to be used as a hobby or for a later profession.

# Class

## LATIN CLASS

Students in Mrs. Esther Steindorf's Latin classes get training in vocabulary along with fun. When the photographer "snapped" this picture, the class was divided into two teams for a spelling bee. Although a so called "dead language," Latin is used daily as the basis of our English.

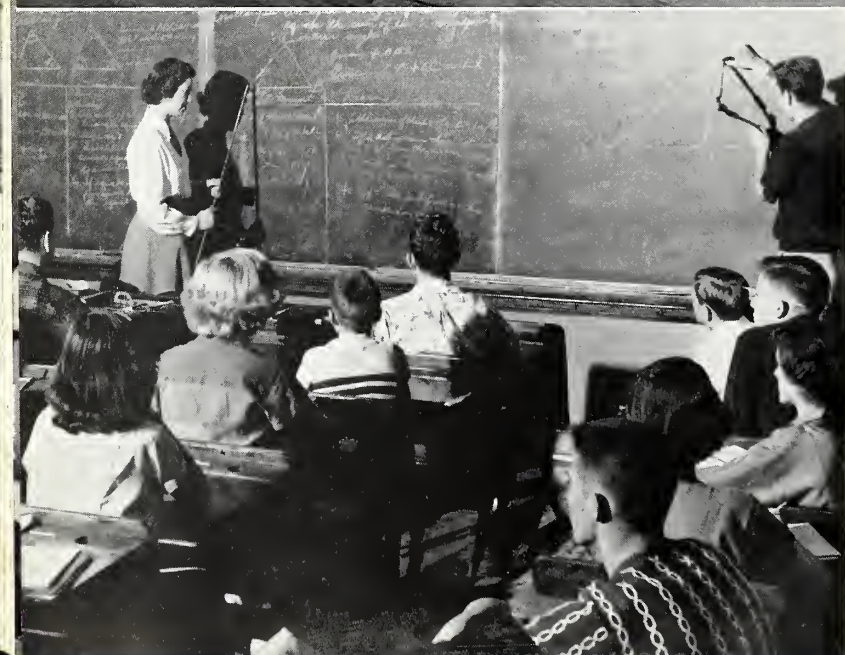

## BIBLE LITERATURE

A more thorough understanding of the Bible is reached under the guidance of Mrs. Helen Mercer in her Bible Literature class. Those who enroll with her soon find themselves enthused over the many exciting stories found in this greatest of books.

## GEOMETRY CLASS

Geometry classes skillfully use compasses and rulers to construct geometrical figures in Mrs. Helen Pounce's classes. Here, students learn mathematical reasoning that can be applied to other projects.

# Rooms

## ART

Mrs. Faye Nelson's informal art classes will long be remembered for their attractive dance decorations and colorful posters which were enjoyed by all. This course consists of beginning art, crafts, and hand work and fine art.

## MECHANICAL DRAWING

The art room is transformed into an entirely different atmosphere — from harmonious colors and cultural topics to more practical subjects—when it is taken over by students of the mechanical drawing class, who are preparing for careers as draftsmen.

## HISTORY

History, a very popular subject among Ben Davis students, usually finds the class packed. Within these four walls events of thousands of years ago up to present day are reviewed by Mr. Lou Parnell. Here Mr. Parnell shows the class some vital spots on the map.

# Music Department

## SENIOR AND FRESHMAN CHORUS

Once a year, P. T. A. meeting is held in the Freshman Building, and this group sings for the members. Every Friday, each member of the chorus contributes to a program.

Life is just a song to the Purple-aires, the 32 best singers in the music department. Under the leadership of Mr. Omar Rybolt, this chorus has provided musical highlights for many programs during the year, both at school and out in the community. Their beautiful folk songs and close harmony are well known all over the state.

## MATHEMATICS

Under the careful supervision of Miss Gladys Dawson, freshman algebra students take their first steps into the world of unknown quantities. This provides a background for future mathematics classes.

## AGRICULTURE

Even though the Ag class room is one of the smallest in the building, it is used for many things. Here boys learn to be excellent farmers, how to properly care for cattle, increase the productivity of the soil and to judge vegetables and poultry.

## SPEECH

For those interested in acquiring poise before an audience, Mrs. Elsie Ball's speech classes provide an excellent training. One may gain the confidence necessary for any type of public speaking he may be called upon to do, after taking this course.

# Rooms

## BUSINESS ADMINISTRATION

The General Business class carries on its regular activities while crowded into two of the smallest rooms in the freshman building. Mrs. Mildred Doyle, assisted by a student teacher, instructs her pupils in the fundamentals of the business world.

## PSYCHOLOGY

Mr. Bernard DeWitt holds the interest of his psychology class as he explains the functions of the human mind. Here students learn ways to improve their own personalities and understand the behavior of others.

## LITERATURE

Disclosing the mysteries of the past in ballads, short stories and epics, English VII provides a broader literary background. It recreates the atmosphere of England as seen by English authors.

### HOME ECONOMICS

As Mrs. Martha Welch demonstrates, a group of first year home economists mentally note the procedure for future use. Within the well-equipped home economics laboratory, many tasty and interesting dishes are contrived.

### MORNING DEVOTIONS

Starting the day with a hymn, students who regularly attend morning devotions find their lives enriched by the spiritual guidance they receive. This early morning meeting has been a custom at Ben Davis since 1943.

Judy Chamness is directing with (left to right) Barbara Minton, Cloamae Hollowell, Myla Young, Ruth Turner, Helen Miller, and Patsy Jarrett singing.

# Reserve Officers Training Corps

Good training for future soldiers is found in Ben Davis R. O. T. C. Under the command of Captain Bernard DeWitt, boys learn the fundamentals of military tactics. One of the highlights of the home ball games is the ceremony of the color guard in which members of the R. O. T. C. march ahead of the band carrying the American and Ben Davis flags.

The officers are, *left to right*:

Cadet Capt. Jahn Hilficker, Cadet Capt. Tam Hanes, Cadet Lt. Calanel Jack McMahan, Cadet Capt. Jahn Ross, Cadet 2nd Lt. Chas. Ellis, and Cadet 1st Lt. Charles Brandt. Not shown in the picture are 2nd Lt. Bill Fellows, 2nd Lt. Jahn Dunn, 2nd Lt. Robert Babcock, and 2nd Lt. Robert Mantgamery.

# Boys and Girls Gym Classes

Because physical education is a required subject for all students, enrollment is quite large. To solve the problem of boys' and girls' classes going on simultaneously, a movable partition is closed, dividing the gym in half.

Girls, directed by Mrs. Kathleen Shaw, occupy the east side of the gym, while the boys, supervised by Mr. Howard Wood and his student-teacher assistants, occupy the west.

## OUTDOOR GYMNASTICS

The arrival of spring is anxiously awaited by both girls' and boys' physical education classes because it means outdoor work. As soon as the buds begin coming out on the trees and the grass starts to turn green, gym classes shed indoor sports for outdoor activities.

The girls, supervised by Mrs. Kathleen Shaw, participate in organized softball; a few of the more active go out for the 100 yard dash. Senior girls are given a chance to test their skill in archery.

Under the direction of Mr. Howard Wood, boys engage in a somewhat similar program of softball, soccer, track and the definitely masculine sport of hardball.

## SENIOR LIBRARY

At any time during the day, the library is one of the busiest places in the building. With the help of Mrs. Louise Williams, librarian, and her assistants, students may find material on almost any subject needed for class reports or may take out interesting books for leisure time reading. # Booster Club

Booster Club Officers are left to right: Bill Howell, treasurer; Barbara Cafouras, secretary; Martha Miller, president, and Larry Moon, vice-president.

## BOOSTERS FOR BEN DAVIS

Two years ago, a new organization, The Booster Club, was organized at Ben Davis by Mr. Bernard DeWitt. All students of the school were eligible to become members and at present there are 500 enrolled.

The Booster Club outlawed all unnecessary noise-making and booing at athletic events. Their motto is "Good Sportsmanship."

After the first year, many other schools in Marion County followed the Ben Davis pattern of good sportsmanship and organized similar clubs. The by-

laws of the club contained articles providing for the presentation of sportsmanship trophies to the best athletes, and also for a project to benefit the entire school. An annual dance was the means by which the necessary funds were provided.

The club purchased a 16mm. movie camera which was used to film games for use in a training program by the athletic department.

At the time the Keyhole went to press, this year's winners of Sportsmanship awards had not been announced.

Dramatic Club Members entertain at Fall Festival.

"Life With Father" was a Thespian success.

## THESPIANS

From the days of ancient Greece, when Thespias was well known to his fellow players, to present day when our modern actors are also known as Thespians, the field of dramatics has progressed a great deal.

The Ben Davis troop of Thespians is number 21 in the United States. This organization is open to all members of the Dramatic Club who have 10 or more points earned by participating in plays, working on

stage crews and ushering.

Troop 21 of this honorary society was the first in Indianapolis and was organized, and is sponsored by Mrs. Elsie Ball. Dramatic Club sponsor is Mrs. Lois Headings.

During the year the Dramatic Club and Thespian members present several plays for assemblies, club meetings, and special occasions. They also sponsor a formal dance for present and alumni members.

## SUNSHINE OFFICERS

Norito Nachoff, recording secretary; Borbora Bartlett, treasurer; Rose Mae Roberts, point secretary; Roberta Morlowe, vice-president; Lucille Wilson, president.

## SUNSHINE SOCIETY

Membership in the Sunshine Society has increased by approximately two hundred since September 1932 when 25 girls organized the local chapter.

Sunshine girls are interested in improving their characters and in helping others. Active members participate in such projects as packing Red Cross boxes for overseas and preparing baskets of food and supplies for the needy at Christmas.

During the year, outside speakers have been brought in to talk to the girls at their meetings. Two of these were Mrs. Ruth Beck, owner of a Beauty College, and Rev. Donald Duncan who spoke at Christmas.

An outstanding event this year was the annual convention, held at Clark Township High School. Our girls met Sunshine Society members from all over the state and exchanged ideas and experiences with them.

At spring the gym is turned into a land of magic and enchantment when members who have earned sufficient points, attend a formal dance.

## HI-Y MEMBERS AND OFFICERS

The Ben Davis Hi-Y, under the sponsorship of Mr. James P. Shockley, stresses the betterment of self by helping others. Some of their many and varied activities this year have been programs in which fathers and sons got together for an evening of relaxation and entertainment, conferences throughout the state for planning better and more interesting meetings, and the collection of toys and food for distribution among 27 needy families at Christmas time.

The club has also sponsored many interesting convocations during the year for the benefit of the student body. Among these were speakers from several foreign nations as well as the local districts.

The club also presented the school with a United Nations flag. It co-sponsors a spring dance with the Sunshine Club.

## LATIN

The Latin Club, S. P. Q. R., is one of the largest in the school. Its purpose is to promote an interest in the history and customs of ancient Rome. Initiation ceremonies are filled with tradition, and the various projects of the club are in keeping with those of that once-powerful empire.

## JUNIOR-SENIOR PROM

A trumpet fanfare, the magic words "I crown you . . .," and another king and queen are added to the ranks of the Junior-Senior Prom royalty. Jackie Hanneman and Paul Angleton smile happily as they pose with their court after being elected Prom Queen and King.

The Prince, Dick Stewart, and the Princess, Lucille Wilson, presented the trophies. Members of the court were: Bill Arnold, Donna Halcomb, Martha Miller, Leon Jones, Pat Cloud, Dean Toombs, Walter Andrews, Barbara Eastridge, Helen Stegemoller, and Richard Roberson.

The theme for last year's prom was a beautiful Japanese Garden, highlighted by a stone bridge over a real pool in which goldfish swam. (At the time this book went to press, the 1951 prom was still in the planning stage. That is why last year's picture is being used.)

Row 2, left to right: Norman Bohn, 2nd semester photographer, Bill Tobias, first semester photographer.

Lower picture—Advertising salesmen—Row 1, left to right: Robert Atwell, Tom Rosseter, Richard Raberson, Keith Walters. Row 2: Frank Bradford and Otis Bickel.

Additional salesmen (not shown): Joe Lowler, Don Beasley.

Typists: Monty Froelich and Barbara Eastridge; Editorial content: JoAnn Wilson, John Klemm, Jack McMahon; Make-up, Pat Berry, Lynda Wilsan, Betty Watts, and Carolyn Lincks.

The Keyhole staff graduates from eight months of hard work, far more experienced in the line of editing, financing and publishing, than they ever thought possible when they started planning the book at the journalism training school at Indiana University last summer.

Many people donated their time toward making the book a possibility. Elizabeth Vogel, Durlene Barker, Pat Raach and Lucetta Rice worked every day, all year, to supervise and write the book. Jo Ann Wilson, Johnny Klemm and Jack McMahon put in a great deal of time writing editorial and sports copy and Lucille Wilson wrote the class history. Bill Tobias spent the first semester taking pictures—Norman Bohn took over his job the second semester.

Frank Bradford, Joe Lawler, Keith Walters, Tom Rosseter, Otis Bickell, Bob Atwell and others from time to time, sold ads, Barbara Eastridge, Monty Froelich, Betty Watts and Carolyn Lincks donated many study halls to type and mount pictures. Jane Hanneman, Phyllis McFall, Barbara Elder, Lynda Wilson, and Pat Berry were in charge of picture identifications.

There were others who came in for an hour or two when special jobs needed doing. Without all of them, the job couldn't have been done, for publishing a book is a project whose extent no one realizes until he has actually participated in it.

# Outstanding Students

### YELL LEADERS

Cheerleaders Dick Stewart, Barbara Cafouras, Florence Davis and Ronald Gill showed great ingenuity in inventing such stunts as the "Hadacol" yell and "The Thing" to add spice to pep sessions.

Joyce Delano graduated in mid-year and Bernie Wurger was hospitalized at the time the picture was taken.

# Champs in Football

As everyone knows, this is the year "The Ben Davis Giants" brought home the football "bacon." After defeating Decatur Central 26 to 0, and blasting Southport by a margin of 19 to 6, the Giants, coached by Lou Parnell, tackled Warren Central's Warriors but failed to outscore them. The score—7 to 7. Their record was now, 2 wins and 1 tie.

With tougher teams still to be played, the Giants coasted past Pike by a score of 12 to 0. The Ben Davis-Speedway game is always a thriller, and as usual this season the Giants climbed to victory by overpowering the Sparkplugs 19 to 6.

For the first time in the B. D. history, the Giants completely demoralized the big Howe Hornets by an impressive score of 12 to 0. Manual is never a team to take for granted because of their fancy passing attack and good defensive work, but the Giants were a little fancier in the passing of Don Hager and a little stronger on the defense than the Redskins this season, as shown by the score of 19 to 0, in favor of B. D.

The Giants had but one game to play to sew up the crown of Marion County's undefeated champs, and the Beech Grove Hornets realized this and gave their "all," but it was not enough. The Giants, having already won 6 and tied 1, had their spirits up. This smooth football machine again showed their power and class by downing the Hornets 21 to 7. After this excellent feat the Giants were well entitled to bring home the trophy for which they had worked so hard.

Roy Spreckelmeyer showed excellent pass receiving and very good footwork to be the team's highest scorer with about 40 points. Dave Marksberry, whom we will again see in the Purple and White uniform next season, was not far behind with 25 points. The passing and quarterbacking of Don Hager along with Larry Moon will be seen this coming season. They scored 19 and 18 points respectively. Coach Lou Parnell was just about as proud of his great team as Ben Davis and the team was of him.

Roy Spreckelmeyer, Mr. Lou Parnell, and Bud Teney admire the County Football trophy.

## RESERVE AND FRESHMEN FOOTBALL

Here are the boys who will be showing their "stuff" in the fall of "51" and "52." Under the guiding eyes of reserve coach, John Masariu, assisted by Gerald DeWitt, the reserves finished the season with a very impressive record.

Robert Wilbur, with the excellent blocking aid of his team-mates, crossed the goal line enough times to be high scorer of the reserve team; along with his fellow players he is expected to show some excellent ability this year as a member of the varsity squad.

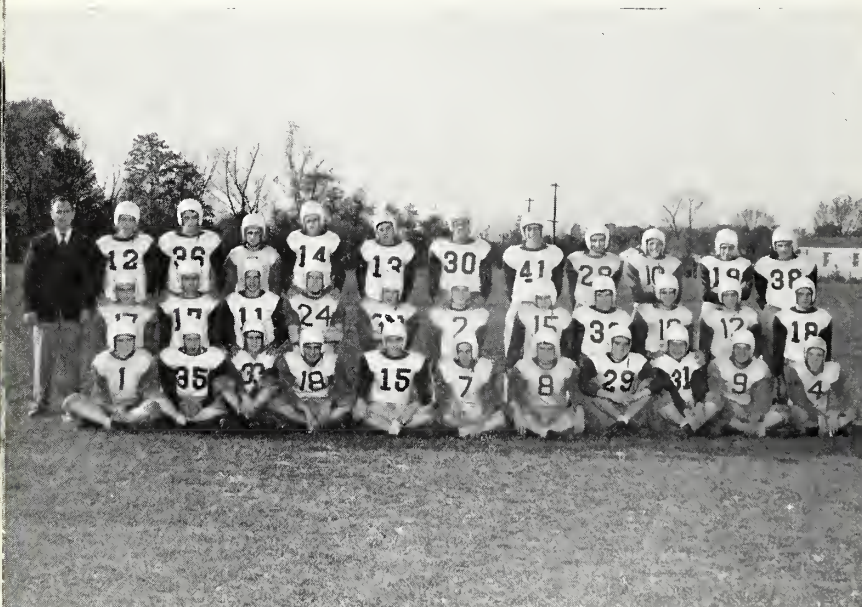

The reserve and varsity squads are not the only teams to be talked about. Our freshman ball club also proved itself very capable and with the help of Coach Gerald DeWitt, displayed a very commendable record.

# Coaches, Managers

## COACHES AND MANAGERS

These men stand in the background during the athletic contests and watch their boys put into practice the plays and techniques that they have taught them throughout the year.

The coach is the backbone of the team. His efforts speak for themselves in the scores that are chalked up during the games.

While the Giants are busy playing a hard game or practicing, someone must take care of the equipment as well as the players' injuries. The unheralded student managers are entrusted with that important job.

Lockers must also be kept in order and there are many odd jobs to be performed. All of these duties keep the managers fully occupied.

# and Varsity Basketball

Coach Jerry DeWitt's Giants played an excellent season of basketball, defeating 14 of their 23 formidable opponents. The game with Cathedral was a terrific upset in Ben Davis' favor with the Giants winning by a score of 56 to 37. The Giants also clashed with Decatur Central three times and won all three games.

Richard Roberson was high scorer for the season with a total of 267 points in 23 games.

The Giants of 1951-52 will lose four players from the lineup. Gaton Allen, Bill Arnold, Jim Backer, and Richard Roberson are graduating and will be missed by the school as well as the team. However, with the experience gained by the remaining Giants, a highly successful season is assured.

Left to right: Bill Arnold, Lean Redenbacher, Bab Wilbur, Jim Lawler, Richard Warrum, Richard Raberson, Caach Jerry DeWitt, Ranaid Rogan, Gaton Allen, Narman Young, James Backer, Larry Moon.

This year's Reserves, under Coach Robert Cloyd showed definite promise of being good Varsity material in the very near future. Winning 11 of their 18 games, the Reserves showed excellent ability.

Their first 6 games were all victories but the streak was broken at the hands of Manual by a bare margin of 2 points. The Reserves came back again, though, and won 5 more games during the season.

Ben Davis was well represented in the county tourney this year, not only in varsity but also in freshman basketball. Coach John Masariu's excellent coaching produced the 1950-51 Freshmen County Basketball Champions. The Frosh claimed the title by defeating Franklin 30 to 23. In three games played against the Franklin Frosh the little Giants won two of the three.

The Freshman record of 10 wins out of 16 games is a result of long hours of hard practice and strict training rules. Coach Masariu's coaching experience and the determination of his team blended together and developed the freshman county champs.

## BOWLING LEAGUE

Every Wednesday, 40 Ben Davis bowlers head for the Speedway Bowling Alleys, where they divide into 10 teams of 4 persons each.

Mrs. Louise Williams and Miss Mary McLane are sponsors of this mixed league that, beside offering opportunity for healthful recreation, means prizes for those who excel. At the time the book went to

press, Darlene Barker, high game scorer with 201, and Don Beasley with 216, led the field. Darlene and Bob Atwell were high average bowlers.

## 1951 SENIOR CLASS HISTORY

We certainly are popping out at the seams! When we first entered high school, Ben Davis housed only 1,143 students. That first day was a day of trials and errors. It was definitely a new experience for us, for we had to get to classes on time, have papers signed, and try to find out just what we were going to study. Along with this we met many new friends. Four years looked like a long journey then, but nearly everyone has survived. Those years have come and gone—now we are Seniors.

Election time finally rolled around for the 9A's and Dick Stewart was chosen as president, Jackie Henthorn; vice-president, Bill Arnold; treasurer; and Lucille Wilson, secretary. The 9B's chose Larry Moon, president; Joan Sampley, vice-president; Don Hager, treasurer; Margaret Froelich, secretary.

That year was also highlighted by the freshman party and the "Tom Sawyer" play.

After a summer vacation we were very proud to go back to school and to say we were now sophomores. The senior building also held many surprises for us. That year the 10A officers were Bill Day, president; Lucille Wilson, vice-president; Bill Arnold, treasurer; and Martha Miller, secretary. The 10B's elected Larry Moon, Barbara Eastridge, Howard Ping, and Margaret Froelich as their officers.

Our junior year brought more responsibilities for us to perform. First of all came the election; Dick Stewart, Lucille Wilson, Martha Miller, and Tony Hodges were chosen as the 11A's officers. The 11B's elected Larry Moon, Darlene Barker, Esther Moore, and Dale Crandall as their officers. We sold cokes and pop corn at the football games and sponsored skating parties. These jobs were performed to make money for the prom. The Oriental garden scene, the decorations for the prom, was our last duty.

Now we are seniors about to bow out of Ben Davis. The beginning of the year brought the election of Jim Backer, Martha Miller, Dick Stewart, and Lucille Wilson for the 12B's. The 12A's elected Mark Hollingsworth, Joyce Delano, Florence Davis, and George Jenkins.

Graduation was the main thought of all the seniors. We were all proud to be wearing senior jewelry at last. Afterward came the ordering of announcements, name cards, and gray caps and gowns. Other things that made our senior year one to remember was the football county championship, the senior play and the prom.

After graduation we will be able to look back on our high school years with pride and satisfaction. And there isn't one of us who can not say that our high school days were the happiest days of our life.

—LUCILLE WILSON
